KEY ACHIEVEMENTS

- **Opened and developed the Indian Wedding Market**, generating THB 50M+ revenue annually for Phuket resorts.
- **Achieved budgeted revenue targets in rooms & catering** for consecutive years through experience-led profit strategies and high-value market penetration.
- **Increased event profitability with 25% upsell growth** via bundled experience design, premium personalization, and vendor value engineering.
- **Managed major revenue platforms**, including hotel buyouts, 1,000-pax congresses, 400-pax incentive travel, and 700-pax destination weddings, with full cost and vendor control.
- **Consistently delivered top-tier client satisfaction scores**, leveraging psychology-based guest journey engineering and multi-department alignment.
- **Led operational transformation during Phuket Sandbox**, achieving ALQ/SHA+/TMVS/AMVS compliance with minimized operational risk and sustained guest trust.
- **Published a book on Indian wedding business** and co-authored internationally published research applied to post-pandemic hotel operations.
- **Served consecutively as Visiting Lecturer** for international hospitality programs at Prince of Songkla University, developing future leaders in hotel and MICE business.
- **Founded and scaled a local travel business** with online market presence, including branding, product design, omni-channel acquisition, and service standards.
